2018 Allstate Foundation Purple Purse Challenge  
Nonprofit Partner Application

Apply online here: https://www.cybergrants.com/allstate/pp_challenge_quiz  

Applications accepted on a rolling basis from May 1 - August 1, 2018.

Help ignite public awareness and fundraising for your organization by joining The Allstate Foundation’s Purple Purse Challenge. The Purple Purse Challenge is a friendly fundraising competition that has raised nearly $10 million for hundreds of national, state and local nonprofits and the survivors they serve since its inaugural year in 2014. Generous contributions from donors across the country have provided funds for life-changing services, helping survivors get the financial knowledge, skills and resources they need to break free from abuse and rebuild their lives.

Purple Purse Challenge Partners will tap into resources that can help them expand their donor base and increase funding through contests with nearly $800,000 in total prize funding provided by The Allstate Foundation (the Foundation). All Partners will receive promotional materials, technical assistance, access to competitions for prize funding and the support of a powerful national public campaign driving donors to participate in the Challenge.

This year, the Foundation will partner with more than 250 national, state and local nonprofit organizations that provide financial empowerment services to domestic violence survivors to raise even more funding and change even more lives. If your organization shares our commitment to ending domestic violence through financial empowerment, we encourage you to apply to be a 2018 Purple Purse Challenge Partner! Applications will be accepted from May 1 – August 1. Applying early allows Partners more time to prepare as well as early access to helpful resources and potential prizes.

ABOUT ALLSTATE FOUNDATION PURPLE PURSE  
The primary reason domestic violence survivors remain in or return to an abusive relationship is because they don’t have the financial resources to break free and stay free. That’s why Allstate Foundation Purple Purse was created. We work to raise awareness about domestic violence and financial abuse, get people talking about the issue, and raise financial resources to help end it. The purple purse is symbolic because purple is the national color of domestic violence and a purse represents a woman’s financial domain. Based on the past success of Allstate Foundation Purple Purse, we are growing the program to include even more communities and organizations in our campaign to end domestic violence through financial safety and security.

2018 PURPLE PURSE CHALLENGE OVERVIEW  
This year, Allstate Foundation Purple Purse will again feature an extensive national public engagement campaign and local, grassroots fundraising opportunities to benefit financial empowerment services for survivors through the Purple Purse Challenge. Each approved Challenge Partner will receive a limited-edition purple purse designed by celebrity ambassador and tennis champion, Serena Williams, to be used for fundraising. To help more people share the message and join the Purple Purse movement, we are providing Partners with Purple Purse charms featuring a removable, real-life story of a survivor who used financial independence to escape abuse. Anyone can hang the charm on their briefcase, backpack or bag to show support for ending domestic violence and financial abuse. Both digital and physical toolkits will assist Partners with marketing and fundraising outreach to your stakeholders.
Our national media campaign will direct people to PurplePurse.com to learn more about the issue and donate to the Purple Purse Challenge where more than 250 nonprofits will engage in friendly fundraising contests to earn access to $790,500 in prize funding from the Foundation.

The Purple Purse Challenge will be administered by CrowdRise, a crowdfunding technology platform that features an innovative and efficient way to raise funds online. Because CrowdRise is committed to full transparency and compliance, the Foundation is excited to join some of the biggest national and international charities who work with CrowdRise.com to tap into the power of personal networks in a fun and engaging way. Learn more about how CrowdRise works with nonprofits.

As in previous years, the Foundation is sponsoring the CrowdRise platform fees on behalf of our Partners – helping even more donations get directly in the hands of our Partners and the survivors they serve. Credit card fees of 2.9% + $.30 will apply to all transactions and donors have the option to pay those fees on behalf of participating organizations.

Here’s how the Purple Purse Challenge will work:

- The Purple Purse Challenge homepage on PurplePurse.com and on CrowdRise.com gives visitors a variety of ways to find a Purple Purse Partner to support. Individuals can donate to a Partner organization by: searching to find a nearby Partner; clicking through to any of the Partners listed on the leaderboard section of the three Divisions’ homepages; or by following a direct link to a Partner’s Challenge page.

- Each Purple Purse Partner will have its own “Team Page” where it can raise funds from October 2 through October 31, 2018, through the Challenge. The Team Page is customizable by the Partner and should include the organization’s logo, mission statement, survivor stories, videos, and photos. Total amount raised in nearly “real” time will be posted through the CrowdRise platform on each “Team Page.”

- Partners will be divided into three Divisions based on organizational budget. The Foundation will determine the budget range for the Divisions when all Partners have been selected after the application period ends. Based on the 2017 Partner information, the estimated budget range for Division 1 to be above $5 million, for Division 2 to be between $1-$5 million, and Division 3 to be below $1 million. These details are not guaranteed and are subject to change, in the Foundation’s sole discretion, its decisions final and binding.

- In addition, each Partner is encouraged (but not required) to recruit “Fundraisers” or team members – board members, community advocates, volunteers, donors, supporters and friends – who use their personal networks to raise funds for the Partner and share messages about domestic violence and the Challenge. Each team member will have his/her own unique page to share with their own network. Partners that focus on recruiting and supporting team members have been the most successful in previous Purple Purse Challenges.

2018 PROGRAM PRIZES AND CONTESTS

To help capture and sustain donor interest and help Partners reach their own fundraising goals, the Foundation will sponsor contests for each Division throughout the four-week Challenge. Partners compete within their Division in a variety of weekly contests. Contests and prizes will be the same for each Division, with Partners competing only against organizations within their own Division. There are multiple ways to win a prize from the Foundation, greatly increasing the chance that Partners will supplement the funds they raise with prizes up to $5,000. Partners can earn more than one prize throughout the Challenge. Full Challenge details and official rules will be shared with selected Partners. Past Challenges included the following contests and sweepstakes:

- Secure 5 donations and get entered to win a prize
- The next 200 donations of $50 or more will earn a match
- Engage 3 team members as fundraisers to join your team and be entered to win a prize
- The 3 Partners that raise the most in a week will win a prize
At the end of the Challenge, the Foundation will award grand prizes to the top five organizations in each Division that raised the most funding on CrowdRise.com. Here’s the Grand Prize structure:

BACKGROUND INFORMATION

About The Allstate Foundation

Established in 1952, The Allstate Foundation is an independent charitable organization made possible by subsidiaries of The Allstate Corporation (NYSE: ALL). Through partnerships with nonprofit organizations across the country, The Allstate Foundation brings the relationships, reputation and resources of Allstate to support innovative and lasting solutions that enhance people’s well-being and prosperity. With a focus on building financial independence for domestic violence survivors, empowering youth and celebrating the charitable community involvement of Allstate agency owners and employees, The Allstate Foundation works to bring out the good in people’s lives. For more information, visit www.AllstateFoundation.org.

Since 2005, The Allstate Foundation has partnered with the National Network to End Domestic Violence and other leading national and local nonprofits to create innovative programs designed to reach survivors with financial empowerment services. Survivors of domestic violence need specialized tools and strategies to address financial challenges and plan for safe, secure futures. However, few resources exist to assist survivors with the economic challenges they face. That's why The Allstate Foundation is taking action. As the corporate foundation of a financial services company, the Foundation uses the same skills and resources its agents use every day to help survivors better understand their personal finances and build assets.

About Allstate Foundation Purple Purse

Allstate Foundation Purple Purse is a public education and fundraising program aimed at raising awareness of the prevalence of domestic violence and financial abuse and the need for resources to help survivors. In 99 percent of domestic violence cases, victims experience financial abuse, which means their abusers deny them access to money and financial resources they need to break free. Financial abuse is one of the leading reasons women stay in or return to abusive relationships. The program name illustrates purple as the national color of domestic violence and a purse which is a symbol of a woman's financial domain.

Since 2005, Allstate Foundation Purple Purse has propelled more than 3 million survivors on the path to safety and security, and invested more than $60 million to empower women to break free from abuse through life-changing financial education, job training and readiness, and small-business programs for survivors. For more information, visit PurplePurse.com. If you or someone you know is in a domestic violence situation, call the National Domestic Violence Hotline at 1-800-799-SAFE (7233) or TTY 1-800-787-3224.
